Herewith we transfer the approval as "BMW Longlife-04" oil given for
" to the reblend oil "ROWE HIGHTEC SYNT RS DLS" SAE 5W-30 ,
. Consequently it is approved according to our approval procedure (5th Issue June
2006) for the usage in BMW engines operating in compliance with our operating fluids manual.
This confirmation is valid for two years beginning with the date of this letter. Prolongations for
additional two years have to be requested in good time.
Engine oils produced using the code or brand names mentioned in this letter of confirmation
have to comply with the tested oil sample in every respect. Any proposed alteration or
modification to the lubricant is to be supplied in writing to the BMW departments "Entwicklung
Antrieb" and "Betriebsstofflabor" whereby a new approval may be granted.

Publication will ensue in the BMW Operating Fluids Manual as follows:
